

PMHA MEMBER BENEFIT

PA ONE CALL

PMHA picks up the Annual Service Fee for the PA One Call System, saving members \$125 per year.

Dial 8-1-1 Before You Dig

As you prepare to do any excavating, state law requires contacting 8-1-1 or www.paonecall.org before you dig.

Every time you order a dig with PA One Call, be sure to use the same name as your PMHA membership. We are required to provide PA One Call with a list of our members—they spot check against this list when we submit member's billings for payment under our account and there are times they reject invoices since the exact name is not on our membership listing.

You can use the service where ever you as a company may be digging, just be sure to use the same name as your PMHA membership and no additional invoices will be sent.

Each calendar year when you contact 8-1-1 for the first time, you will receive an invoice for \$125. Forward your invoice to PMHA by email, fax or mail. We will confirm your membership and take care of the invoice.

Repeat the same process the first time you dig in the next calendar year. It's that easy!

**Know what's below.
Call before you dig.**
